

2019 GOLF OUTINGS AT TOTTERIDGE

2029 Totteridge Drive, Greensburg, PA 15601 ☎ (724) 837-6700 Extension 2

THE “WOW” FACTOR

Golf is a highly social game. It can provide hours of enjoyment and great memories. Bringing groups of people together for golf can provide a sustainable means of raising funds for charitable causes. Businesses frequently seek opportunities to gather customers together to express appreciation and golf provides a perfect venue. Friends gather to celebrate reunions or to host wedding parties. Golf leagues seek alternative facilities to host mid-year or year-end events. Golf doesn't need a larger purpose, and sometime people just want to spend time with their

friends. Whatever is your reason, you can “wow” your group at Totteridge.

WHY TOTTERIDGE

Built from a spectacular tract of historic farmland northeast of Greensburg in Westmoreland County, **TOTTERIDGE** golf course opened in 2001. The creation of renowned architect Rees Jones in collaboration with his friend Tom Tanto, this 7154-yard links-style layout traverses 270 acres of dramatic hills and valleys and provides sweeping views of the western Pennsylvania countryside.

TOTTERIDGE has style, design and character that were dictated by the contours of the land. Natural elements were embellished and created elements were made to look natural. With nearly 200 feet of elevation change, the visual impact of every golf hole from the tee provides an authentic adventure for the senses. The course presents a strong but fair test of golf, and with five sets of tees the course is enjoyable for all skill levels. Outstanding course conditioning is provided daily by Course Superintendent Brian Fritz and his dedicated staff.

TOTTERIDGE has the region's best practice facility with a separate area devoted to short game practice in addition to chipping and practice putting greens. At the clubhouse there is an all-day dining sports bar to seat up to 72 persons, a private party tent with a capacity of 144 persons, buffet dinner menus and beverage cart services. The golf staff, led by PGA Professional Rick Gay, works with event organizers to assure that all needs and budgets are satisfied beyond expectations.
